Dear Greg:

I promised to send you one of my early writings when I located it. I looked without success until I was asked to look for something else. Then I found the item on Counterfeit Continentals for you which is enclosed.

Don't be concerned about the turndown by Bank of America. They have loads of space in downtown St. Louis, but I prefer some other part of the area. I thank you again for your input which is sincerely appreciated.

This summer I am teaching again at ANA and I am enjoying my contacts with past students like you.

If I can be of help to you in any numismatic way, please call on me.

My best,

Sincerely,

Eric P. Newman
